

**Great Granddaughter's Club
Pin Order Form**

Pin Description: The official pin is gold filled in the shape of a diamond with the words, Great Granddaughter outlining the pin on a background of red enamel. The four sides of the diamond shape represent the general lineage of four generations: the familial connection between the specific daughter and her Confederate Great Grandfather. The Stars and Bars Flag featured in color in the center of the pin easily identifies our affiliation with the United Daughters of the Confederacy®. The raised letters “UDC” framed with laurel leaves compliment the beauty of the pin.
