Veteran's History Project Committee Annual Report

September 1, 20_____ August 31, 20_____

Chapter name and number_____
Division _____

The following questions refer to Veteran's interviews **from** WWII, **through** present day and may include military service in Asia, Europe, the Pacific, Korea , Vietnam , Grenada, Persian Gulf , Afghanistan, Iraq and other military engagements. Veterans do not need to have been engaged in a war. All branches are welcomed and urged to participate. For more information on this important project visit the Library of Congress' website at:

We, as members of the UDC, award Crosses of Military Service each year, but we need to collect and submit the veteran's stories and submit them to the Library of Congress to perpetuate our country's military history.

Names of Veterans Interviewed and what/where was their service?

Use the reverse side of report if needed.
